I decided to decrease the shipping and handling prices and paypal fee for foreign customers. Shipping and handling costs are now:

- Within Netherlands: 3,00 euro (max 20kg)
- Within European Union: 5,50 euro (max 5kg)
- Rest of World: 7,50 euro (max 5kg)

Payment trough bank transfer remains cheapest and therefore preferred. Paypal fee is 2,50 euro. Enjoy shopping!
